Thursday, 5 February 2015

Values:

Resilience  Respect  Honesty  Responsibility  Learning

To develop confident and resilient students through the provision of a diverse range of learning experiences and challenges which encourage curiosity, excitement for learning, thirst for knowledge and connectedness to their community.

This is underpinned by a whole school community whose moral purpose is committed to promoting success for all students.

IMPORTANT DATES FOR YOUR CALENDAR

School Website: www.greenvaleps.vic.edu.au

Term 1: Wednesday 28th January - Friday 27th March
Term 2: Monday 13th April - Friday 26th June
Term 3: Monday 13th July - Friday 18th September
Term 4: Monday 5th October - Friday 18th December

Last Day of Term Students dismissed at 2:30pm

From The Principal’s Desk
Angelika Ireland

The Term 1 Calendar is attached to this newsletter. Please print it off and place it where the family can see when events are taking place at school. You can also check the calendar on the homepage of our website www.greenvaleps.vic.edu.au for all events that will take place this term.

Welcome Back

Welcome back to the 2015 school year! I hope all families have had an enjoyable holiday break with their children.

What an exciting, busy start we saw at Greenvale Primary School last week with students from Year 1 to Year 6 returning to school last Thursday. They were excited to be back, happy to meet up with their friends and looking forward to another challenging year in 2015. We had 44 new students beginning with us this day coming from a wide range of schools.

Students looked fantastic in their uniforms. This year, we see the inclusion of a new dark green polo top as part of our regular uniform. I know many parents will welcome this selection as was voiced when I first arrived at the start of last year. What colour polo you choose to purchase for your child is your choice. What colour polo you chose to send your child to school in for the school photos is also your choice. The photographers will balance the photo accordingly.

This year, our Foundation students (Preps) began school one week after the other students instead of the usual staggered start.

Today, we had 105 new Foundation students beginning their schooling at Greenvale. The term Foundation comes from the National curriculum as the first year is referred to as the Foundation year, and many schools have now renamed their Preps. After a rigorous “Flying to Foundation” Transition program at the end of last year, the new students were more than prepared for this exciting new direction in their lives. They looked smart in their new uniforms and came to school today in anticipation. Not many tears were to be seen, not event from the parents!! We welcome these children and their families and know that they will love their schooling at Greenvale.

I look forward to meeting our new families and to continue building the partnership with all of our current families at Greenvale. I invite you to come and say hello.

DEECD no longer………..

With the change in State government due to the State Election late in November 2014, DEECD (Department of Education and Early Childhood Development) will now be known as DET (Department of Education and Training) as of January 1st, 2015. In most of the articles/ information on the education website, it is being generally referred to as DET or the Department. Unless I am notified otherwise, I will use these terms for our school correspondence. Our new Minister for Education is James Merlino and the new DET Secretary is Gill Callister.

Meet & Greet – Parents in Partnership

This year, families will have the opportunity to meet one on one with their child’s teacher at the beginning of the year in a Meet & Greet. These will take place after school over three nights from Monday 16 February to Wednesday 18 February. This early meeting is intended to strengthen the ties between the classroom teachers and parents, in that both get a chance to meet each other with the
Building better links between our school and your homes encourages positive learning experiences for students. The more you as parents know about our school, the more likely we will be able to support your child’s learning in partnership. The Meet & Greet is not a typical Parent Teacher Interview where the teacher talks about your child’s academic progress. This will occur mid-year.

This is an opportunity to
- Meet your child’s teacher one on one
- Discuss how your child has settled in
- Share any important information that you think the teacher needs to know about your child
- Discuss protocols for future communication
- Discuss how you as a parent would like to be involved in the school/ what skills you may want to share at the school

You will book your Meet & Greet session for each of your children on-line as we do with the mid-year Parent Teacher interviews. An information Flyer is being sent home.

SunSmart Term
Just a reminder that Term 1 is a SunSmart term. Students are expected to wear their school hat outside at all times. If your child requires a new hat they may buy it at the Office for $10. Please make sure all uniform items are clearly labelled.

Staffing
We are delighted to welcome back Mrs Anna Wutchatsch who had been on Family Leave in 2014. This year she will be sharing a class with Mrs Rosemary Agnew.

We also welcome three new faces –

<table>
<thead>
<tr>
<th>Sophie Chilton - Year 5</th>
<th>Shannon Carroll - PE</th>
<th>Peter Osboldstone - Indonesian</th>
</tr>
</thead>
</table>
| **Sophie Chilton - Year 5**
Hello, my name is Sophie Chilton. I studied teaching at Latrobe University and taught for six years at Lalor Primary school. I am excited to have a new adventure teaching year five here at Greenvale Primary School.
So far, everyone I have met at Greenvale Primary School has been extremely welcoming and friendly; and I look forward to getting to know the school community further. Feel free to come and say hi anytime. |

**Shannon Carroll - PE**
I came from Deakin University, studying a Bachelor of Physical Education which I finished in 2010. In 2010 I spent my graduate year at Seaholme PS, Altona as the Phys Ed Specialist, followed by three years at Mt Scopus Memorial College.
I have been thoroughly enjoying my first few days here at Greenvale receiving lots of positive energy from the students and having a great time getting to know all of the new faces. |

**Peter Osboldstone - Indonesian**
I studied Indonesian from primary school and continued studying at universities in Australia and with the ACICIS Study Indonesia Program. After graduating I worked with Australian Volunteers International and lived in Sumatra while participating in the Australia-Indonesia Youth Exchange Program. I taught Indonesian at Manor Lakes College in Wyndham Vale last year and was keen to move closer to Melbourne city and gain new experience at Greenvale Primary. I have already met many of the friendly students and parents at the school and look forward to getting to know everyone in the school community. |

Our Educational Leaders for this year are:
- **Foundation** – Michelle Pucar
- **Year 1** – Mrs Vicki Bottomley
- **Year 2** – Mrs Elicia Briggs
- **Year 3** – Mrs Robyn White
- **Year 4** – Mrs Emily Wilkes
- **Year 5** – Mrs Linda Doig
- **Year 6** – Miss Kylie Cardamone
- **Specialists** – Mrs Heather Foletta
School Council Elections 2015 - Parents in Partnership

All schools are required to conduct annual elections for school council during the February/March period. There are three different categories of members on School Council – Parents, Department (DET) employees and Community Members.

At our 2015 election we will have three Parent vacancies, two DET employee vacancies and one Community Member vacancy. The term of office for these vacancies is two years. Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging. You do not need any special experience to be on School Council. What you do need is an interest in your child’s school and the desire to work in partnership with others to help shape the school’s future.

School Council meets about two times each term and School Councillors are on a subcommittee also. Can I encourage parents who would like to be part of School Council to ensure that they are nominated. Parents may be nominated by another parent or they can nominate themselves. More information will be sent home next week. Information is being sent home this week.

Nominations open Friday 6 February.

Parents in Partnership

Introducing Parent Reps to Greenvale Primary School

At Greenvale, we value the partnership between home and school and encourage all parents to be involved in their child’s learning, attend and support school events and volunteer their time to improve the outcomes for all of our students.

In 2015, we are inviting one parent in each class to take on the role of a Parent Rep. This could also be a shared role if two parents would like to do this.

The role of the Parent Rep is to…….

- liaise between class teacher and parents to enlist help.
- communicate with parents about any upcoming events.
- help out in the classroom where possible
- encourage all parents/grandparents to help/assist in class activities when possible.
- support the teacher and help organise classroom activities
- help with excursions and incursions, special class events if required
- address any questions or queries
- be part of the School Council Community Links Committee
- assist with the organisation of whole school fundraising/special events
- encourage all parents to share their own skills/expertise that may assist school or classroom

The role of the Parent Rep is NOT ……

- to resolve conflicts between parents
- to resolve conflicts between students
- to resolve issues between a parent and the teacher
- to assist parents to solve issues about their child

Your child’s class teacher will be organising the Parent Rep for your child’s class early in Term 1. Please consider this as a valuable opportunity to work in partnership with your child’s school. Parent Reps will also meet monthly with the Principal and AP. A Flyer will be sent home shortly.

Other opportunities for your involvement in school activities will be discussed at the Teacher Meet & Greet meeting.

Bushfire, Flood, Severe Storm or Other Major Emergency Near You

This advice was sent to schools recently to share with the school community. Considering the way we began our school year in 2014 with the fires that started at Mickleham it is probably wise to become familiar with the information. If you live in an area that potentially is at risk of bushfires, it is timely that your family reviews their Bushfire Emergency Plan.

If there is a bushfire, flood, severe storm or other major emergency near you, the emergency services may choose to warn you by text to your mobile or a voice message to your home phone. Emergency Alert is the national telephone warning system. It uses the address where your phone is registered and the actual location of your mobile to reach you:

- when your home or school is near an emergency
- when you are travelling with your mobile near an emergency.

When the emergency services use the telephone warning system:

- a home phone within the warning area may receive a recorded voice message that begins with “Emergency, Emergency”, and/or
a mobile phone that is switched on and in an area of mobile coverage may receive a text message. The service is free and you do not need to register.

The warning message will tell you:
• which emergency service sent the message: eg CFA
• about the emergency and where it is
• what you should do to stay safe
• where you can get more information.

All telephone warnings come from the official number: +61 444 444 444

Talk to your child about the Emergency Alert system.
If they receive a warning message on the home phone or a warning text on their personal mobile, encourage them to stay calm and show or repeat the message to a responsible adult they know, such as a relative or teacher. If adults are not around, encourage them to follow the action given in the alert.

For more information about the system, visit emergencyalert.gov.au and watch the video (it’s in 30 languages).

In an emergency, do not rely just on your telephone for a warning.
• Stay aware of your surroundings
• Listen to local radio
• Visit emergency.vic.gov.au
• Download the FireReady app
• Go to facebook.com/cfavic
• Follow @CFA_Updates on Twitter

Food For Thought:
‘One child, one teacher, one book and one pen can change the world. Education is the only solution.’ Malala Yousafzai

Assistant Principal’s Report
Meredith Clegg
Hello and welcome to the 2015 school year. Greenvale PS has another great year planned with lots happening in and out of classrooms. Keep an eye on the newsletter, the website and the Greenvale PS app to keep up to date.

Teacher Absences
From time to time teachers are absent from school and we do our best to ensure the classroom teaching and learning program is not disrupted. Where possible we will employ a relief teacher from the very experienced pool we have available to us, however on the rare occasions a relief teacher cannot be found internal arrangements will be made and students will continue their learning in other classes.

Curriculum Day – Friday 20th February – Student Free Day
The focus of our Curriculum Day is on Mathematics pedagogy. Facilitating the day will be Kathy Palmer, an engaging, highly experienced and sought after Numeracy Consultant who will work with the teachers on Mathematical Literacy, Maths Proficiencies and Collaborative Problem Solving.

Strike 3 Late Arrival Process
It is so important that your child arrives at school on time every day to ensure that their learning opportunities are fully maximised. Did you know that being late for an hour each day equates to over half a year of learning time from Foundation to Year 6?

In 2014, Greenvale Primary recorded over 1000 late arrivals. This is an improvement from 2013 which we believe is a result of the implementation of our 3 Strike Late Arrival Process in 2014.

Our goal for 2015 is to continue reducing late arrivals of our students / your children to school. We aim to work together work with our community to improve students’ learning by ensuring students attend on time.

The 3 Strike Late Arrival Process is again being implemented in 2015. This will involve teachers issuing a yellow coloured Strike 1, 2 or 3 notice each time a child arrives to the classroom after the bell. Medically related appointments are an exception, however, please inform the teacher that this is the case, and also try to make these appointments out of school time where possible.

On the fourth late arrival in a term, the Principal/ Assistant Principal will contact you to discuss strategies which may help improve your child’s punctuality.

We understand that there are occasions where late arrivals are unavoidable and this may result in children receiving only one Strike in that term. At the end of each term, accumulated Strikes are deleted.

Our greatest concern is to address the children who are ‘consistently’ late to school as this impacts greatly on their own learning, but also interrupts the learning of all the other children. We thank you for your continued support.
Every day counts when kids are learning to count

Scott Ryan
@SenatorRyan

If a parent was told their child has a 90 per cent school attendance rate, they probably wouldn’t be too worried.

A few days off school with a tummy ache, a few days off school to catch up on sleep, a few days off school to visit relatives — what’s the big deal?

But what if they were told that if their child stays home one in every 10 school days?

By the start of Year 10 that means they will have missed a full year of school.

Most parents would react with horror at the idea of missing a whole year of school.

And rightly so.

While school attendance is primarily the responsibility of state governments and our schools, as students head back to the classroom, the Australian Government is keen to impress on parents the importance of sending their children to school each and every day.

In Victoria, 178 schools had average school attendance rates below 90 per cent in 2013.

Around Australia, almost one in five Australian schools has an average attendance rate of 90 per cent or less.

Too many students are missing too many classes.

This creates problems for teachers, who are forced to spend time playing “catch up” to bring absent students up-to-date.

It creates issues for other students who sit down to finish a group project only to find one or two members of their group are constantly missing.

But most of all, it creates serious difficulties for the student who is missing.

A student’s level of school attendance has a major influence on their academic achievement.

Studies have shown the more a student misses school, the lower a student’s NAPLAN test score.

NA PLAN is not an end in itself, it is the way we measure whether students are learning how to read, write and do maths.

These are essential skills necessary for further learning and the basic skills needed in a workplace.

The implications of missing school are grave and long-term: fewer employment opportunities and lower wages throughout life.

Unfortunately, research has also shown that students who miss lots of school tend to have things in common.

They are more likely to come from disadvantaged backgrounds, they are more likely to have parents with a low level of education and they are more likely to be indigenous.

While government and school principals have a role to play in promoting school attendance, the prime responsibility is for parents to ensure their child attends every day they can, to ensure they are not left behind.

Parents need to impress on their child the importance of attending school every single day.

Parents should also talk to their child’s teacher if there are barriers in getting their child to school or if there are other factors that make school attendance a problem.

A day off here and there might not seem important, but the effect of absence accumulates over time.

Whether on the couch at home or hanging around at a shopping centre, the more school students miss, the more their academic achievement decreases.

In 2015, the number one lesson for all parents needs to be: children who attend school every day will be more successful adults.

Every day matters.

Senator Scott Ryan is Parliamentary Secretary to the Minister for Education and Training

---

**Year 5 1:1 Netbook Payment Reminder**

Suzanne Leahy – Business Manager

The Year 5 Netbook Term 1 payment of $74.00 is due by Monday 16\textsuperscript{th} February.

**SCHOOLKIDS BONUS**

The Education Maintenance Allowance (EMA) is longer available to parents but the Schoolkids Bonus is still available until July 2016.
The Schoolkids Bonus aims to help eligible families and students with the education related costs of primary and secondary school studies, such as school fees, uniforms etc. Each year, eligible families and students will receive up to:

- $422 for each child in primary school (two instalments)
- $842 for each child in secondary school (two instalments)

For further information and eligibility, please visit the Human Services website

**Learning Resource Centre (LRC) Information**

**Meredith Martell – Library Technician**

**Student Borrowing**

All students are able to borrow books from the school library. To do this, students must have a library bag which they bring to each library session or whenever they intend to borrow book/s. When books are issued to students they are then responsible for these items. If these books are damaged or lost, they can either be replaced or the school reimbursed. Borrowing can then recommence. Please note that if you are going on holiday or leaving the school you need to ensure library books have been returned.

**Library Bags**

Students use a library bag as they not only protect our books; it also helps with locating the books when at school and at home.

The uniform shop sells an excellent waterproof bag which will last the child through primary school. The purchase of a waterproof library bag is a cheaper option than reimbursing the library from $10 onwards for books that may have been damaged from leaking drink bottles.

**100% Borrowing Rewards**

Each class that has every student borrowing in their library session will receive a certificate at Monday assembly. At the end of the year the class with the most certificates are the winners and each student from that class will receive a new book.

**Book Club**

Our school has been participating in Scholastic Book Club for many years. Its aim is to bring reading and books to parents and children of all ages. Twice a term, book club brochures will be sent home with students for you to browse through and purchase if you would like to. There is no obligation for you to buy at all if you would prefer not to do so.

At the end of each campaign all money orders are matched with points and the school library can then select books to build up our library resources. This has been a wonderful incentive from Scholastic over the years and the children have benefited both at school and at home. Scholastic has begun this year with new offers for students by giving rewards that are clearly explained on the brochures.

**BOOK CLUB ORDERS**

**Issue One of Book Club for 2015**

All orders must be returned NO LATER than **Friday 13th February, by 11:00am**. No orders will be accepted after this time.

Please be aware that when book club brochures go out to students they have a window of 3 or 4 days to be returned. Any orders after that date will not be accepted.

*Before the orders come to Learning Resource Centre please check that order forms are completed correctly and that the students name and class are clearly written on order form and envelope.*

**IF PAYING BY CHEQUE PLEASE MAKE OUT TO:** SCHOLASTIC BOOK CLUB.

**IF PAYING BY CREDIT CARD PLEASE NOTE:** NEW PAYMENT PROCESSES ON SLIP

**Canteen News - Food Matters at School**

**Mary Spiteri – Canteen Manager**

I hope you all enjoyed the break. We are all conscious of being healthy and making better nutrition choices. Did you know the canteen offers a healthy variety of food.

Help your child make better choices for lunch and snacks and encourage them to include as many healthy choices as possible from the healthier everyday foods on offer at the canteen.

Once again I value any feedback, ideas or suggestions that you might have. You can visit me at the canteen between 8:00am – 2:30pm or simply send them to me via the school office. Thank you for your support.

**Student School Banking**

The Commonwealth Dollarmite student school banking starts on Tuesday 10th February.
News From OSHClub – Before and After School Care

OSHClub Team

Welcome back for 2015, we hope you all had a nice Summer and are ready to tackle the new school year with us.

We would like to issue the following reminders:

**SunSmart Term 1** - We would like to remind all families that Term 1 is a SunSmart term. This means that children will be required to wear hats and sunscreen for outdoor play. So please remember to bring/pack a hat as no hat means no play. You are welcome to leave a hat with your child's name on it at the program for this purpose.

**Student Free Day** - We are hoping to run all day care on Friday 20th February, in order to do this we need to get the required number of bookings. If you would like this day to run, please book in as soon as you know so that we have the best chance of being given the go ahead.

**Bookings and Cancellations** - We ask that if you pick your child up from school on a day when he or she is booked into Aafter School Care that you please give us a call and let us know they are safe.

Bookings are open until midnight the night before. All bookings received by midnight will be processed through the system as per normal. Any emergency bookings after this time must be texted/phoned through to the program directly and will incur an additional $3 late fee. The program phone number is 0423782000. Cancellations given with a minimum of 24 hours notice prior to the session start time will not be charged. Any cancellations after this time will be charged as per normal.

Thank You.

---

**COMMUNITY NEWS**

**Genesis Music School**

**Instrumental Lessons at School**

*Did you know that Music:*
- Develops mind, hand & eye co ordination
- Enhances listening skills
- Improves self esteem
- Is fun!

‘...to help young people discover that learning is not a destination, but a journey, an incredibly wonderful journey to be devoured, savoured and cherished.’

Peter Loel Boonshaft - Teaching Music with Purpose 2006

Enrolment forms are available from the School Office or Contact Genesis Music School Direct on 0421 426 674.
Chess-Ed enrolment forms are available at our school office

**Chess-Ed.**
Chess Education  
Manager: Nick Speck  
Email: info@chesseducation.com.au

**Chess-Ed Junior Chess Club – Term 1, 2015**

Chess is one of the most powerful educational tools available to strengthen a child’s mind. Most 6-7 year olds can follow the basic rules and some children as young as 4 or 5 can play. Whatever a child’s age, chess can enhance concentration, patience, and perseverance, as well as develop creativity, intuition, and memory. Most importantly, children can develop the ability to analyse and deduce from a set of general principles, to make tough decisions and to solve problems flexibly.

The coach, David Beaumont is an experienced chess teacher and one of Victoria’s leading chess players.

The chess classes will take the children through a structured chess course with the dual aim of achieving the maximal educational benefits the game offers and providing an enjoyable learning environment.

If your child would like to participate in the Chess Club during Term 1 please fill out the form below and return it to the school office by the start of the first lesson. Numbers are limited to 24 and are taken on a first-come first-served basis. Any extra children will be placed on a waiting list.

- **When:** Monday Afterschool: 3:40 – 4:40pm  
  There will be 6 classes in Term 1 on the following dates:  
  9/2, 16/2, 23/2, 2/3, 16/3 and 23/3.
- **Where:** Greenvale Primary School Art Room
- **Cost:** $54 (for the 6 classes - $9 per class, includes GST) per child for Term 1  
  Please make any cheques payable to ‘Chess Education’ and leave at the front office before the first class.
- **Enquiries:** Please feel free to contact us on (03) 9387 4503  
  or via email at info@chesseducation.com.au

**Greenvale Primary School Students Play at the 2015 Australian Open**

Congratulations to Anthony D’Asta, Aiden Gorman, Ashkin Bayuk and Samantha Stavrakis who had an amazing day representing the school at the 2015 Australian Open. They were selected due to their developing tennis skills learnt through ANZ Tennis Hot Shots. They played in front of thousands of spectators prior to the start of play on Friday January 23rd at Melbourne Park.

Anthony D’Asta, Aiden Gorman, Ashkin Bayuk and Samantha Stavrakis pictured with Daniel Massa and Nathan Xuereb

Now is the time to get the family into tennis with the new Hume Tennis and Community Centre.

**Hume Tennis and Community Centre**

NOW OPEN - 1300 HUME TC (486 382) or come down to **Greenvale Tennis Club** and say hello! Or visit our website at www.humetennis.com.au
