

Year 2 Latitude Excursion

Tuesday 28th November 2017

Dear Parents/Guardians,

During Term 4, the Year 2 students will be working on Science and STEM activities. They will be working in collaborative groups to complete various design tasks. To assist the students with their group work, we have arranged for an excursion to **Latitude** where students will participate in team building challenges using trampolines and different climbing zones. Whilst undertaking these activities, the students will be asked to identify the physical science behind each activity. After the session at **Latitude**, we will stop at **Bundoora Park** for lunch before returning to school.

We will leave school at 9:15am and will return by 2:30pm.

The cost of this excursion is **\$30.00**, which includes the entrance fee into Latitude, and bus travel to and from the venues.

The children will need to wear their full school uniform, preferably shorts, t-shirts and runners due to the nature of the scheduled activities. They need to bring their own snack, lunch and drink (water) on the day in a small backpack.

Please sign and return the attached permission note along with full payment to your child’s teacher by **Friday 17th November.**

We are able to take a limited number of parents to assist on each day. Please indicate if you have a current Working With Children Check and are interested in attending as a parent helper.

Year 2 Teachers

✕ _____

Permission Form for Year 2 LATITUDE Excursion

I give my permission for my child _____ Class: _____

to participate in the **Latitude Excursion on Tuesday 28th November, 2017.**
