PARENT HELPERS FOR TEAM BUILDING IN-SCHOOL ACTIVITY

Each Year 2 class will need 1 parent helper, who hold current Working with Children Checks, to assist teachers during the Team Building lesson. If you are interested, please complete the form below and give it to your child's teacher. We are especially looking for dads to come along, as we have mainly female staff members attending.

Please note that if we have too many volunteers, we will draw parent helper names from a hat to determine who will be required to assist on the day.

Please return this section below only if you are interested in providing assistance for the Team Building in school activity and have a valid Working with Children's Check.
