Year 5 and 6
Marvellous Market Day

Our Marvellous Market is coming! The Year 5 and 6 students have been looking forward to this day and it will be a fantastic event to begin a great term.

The Market Day is part of our Community and Economics Unit where we have been learning about a range of concepts including consumers, supply/demand, needs/wants and marketing.

In collaborative groups, the students will decide on a product to make and sell, create a budget, advertise and sell their goods and determine any profits or losses. Any profits from the Market Day will be donated to the Australian Drought Relief, including the initial $10 children pay.

The Market Day will take place on **Wednesday 27th March.** Each group will have a budget of $10 per student to spend on items. (e.g. $30 for a group of three, a group of 4 will have $40). Children will choose and create their items at school and check predicted costs online. They will work out their costing and project what their profits will be. Classroom teachers will buy all items needed. **Money:** students will need to pay **$10. Money due by Friday 15th March.**

It is really important to give students a realistic experience with budgeting. We request that parents do not donate additional funds or items as this ensures the experience is fair for all students.

Thank-you for your support.
Year 5 and 6 Teachers

YEAR 5 and 6 Market Day Wednesday 27th March

I give my child _____ permission to participate in the Year 5 and 6 Marvellous Market Day.

Please note any medical conditions/food allergies of which we should be aware:
