

2020 Year 5 Swimming Program

The students from Year 5 will be participating in swimming lessons at the Splash Aqua Park and Leisure Centre in Craigieburn between 11.15am – 1.45pm, on Tuesday 17th, Thursday 26th and Friday 27th of March and 1.00pm – 3.30pm on Wednesday 18th, Thursday 19th, Friday 20th, Tuesday 24th and Wednesday 25th of March 2020.

Transport and Cost: Students will travel to and from the venue by bus. For this program (exclusively for our Year 5 students) the tuition is subsidised by approximately \$100.00 per student by the Victorian Department of Education, the cost to families of \$30.00 covers transport.

Students will need to remember the following items for ALL days of the program:

- * Full school uniform
- * Towel
- * Swimwear / Accessories (goggles / ear plugs etc.)

To ensure students quickly move from the bus into the pools, students may wear their swim wear to school in the morning, under their clothes. Please ensure that students bring underwear to wear after the lesson.

The swimming lessons are designed to emphasize a wide range of aquatic skills including water safety, survival techniques and basic skill development. The range of aquatic skills taught, in addition to general movement and stroke development, includes safe water entries and exits, body orientation in water, underwater skills, rescue techniques (where age appropriate), survival and stroke development.

Swimmers with an advance technique are not guaranteed against the dangers of open water; always remember skills developed in a pool situation will be totally different when swimming in different water courses. Often it means they take more risks such as swimming at a surf beach.

Therefore even if your child participates at squad levels, it is equally important that they are reminded about the dangers in open waters and their survival skills updated to match their swimming prowess. We look forward to the students becoming “waterproofed” through the program.

Consent and Payment: Parent consent is now available online through Compass. If paying by Qkr! this form does not need to be returned. Alternatively, you can also consent and pay at the school office by returning the tear-off below. Please consent and pay for this excursion by **Friday 6th March, 2020. Children will not be able to attend if consent and payment is not received by the due date.**
