ACTIVITY RUBRIC

LITERACY

Number the Stars Summary

We are more than halfway through our novel Number the Stars. We would like you to write a summary of the novel so far. In your reading book summarise the beginning and middle of the novel. After you have completed that we would like you to describe what you think is going to happen next. How do you think the novel will end? Upload a photo of your work on the assigned Seesaw task.

Denmark

Create a diorama or detailed drawing of what you think Denmark looks like. Remember the 2 main locations we have discussed throughout the novel; The city of Copenhagen and the beach where Uncle Henrik lives. Make sure your diorama or drawing is engaging and full of colour. Upload a photo of your work on the assigned Seesaw task.

Create a Word Search

Construct a wordsearch using words relating to the topic of the Galapagos Islands or Animal Adaptations. You must include 10 tier 2 words. The wordsearch must be completed in your Reading books. Upload a photo of your work on the assigned Seesaw task.

NUMERACY

Problem Solving Task Cards

In your OneNote in the Term 3 Maths Tab there will be a page named 'Multiplication Open Ended Task' There will be a PDF attached. Pick 4 problem solving cards and complete them in your Maths book. Make sure you show all your working out. Upload a photo of your work on the assigned Seesaw task.

Factors Investigation

Show all the pairs of factors 36, 32, 24 and 88. Complete this task in your Maths book. Show all your working out and upload a photo of your work on the assigned Seesaw task.

Area Model Worded Problems

Write 5 real life worded problems involving 2 digit by 2 digit multiplication. Use the area model to solve each problem and show your working out in your maths book. Make sure you use the Maths workbook guidelines and use a ruler to make your area model. Upload a photo of your work on the assigned Seesaw task.

WELLBEING & PHYSICAL EDUCATION

Coding

Continue getting to know the scratch program and investigate it's features.

Olympic Games

Choose a sport from the Olympics and think of ways to adapt it with the equipment you have available at home. Play it with someone at home.
