

Year 4 Activity Matrix

Friday 6th August 2021

You are required to complete at least **one** task for **Literacy**, **one** task for **Mathematics** and **one** task for **Wellbeing/Physical Education**. The title of the task must be written at the top of your page and dated.

Choose your favourite LITERACY and MATHEMATICS activity and post a PHOTO of your work on Seesaw.			
Literacy	ACTIVITY 1 Read a part of your borrowed library book (if you don't have one, choose a book from home). After reading, complete all of the following: -write a summary of the book. -any questions or wonderings you have from reading -would you recommend this book to someone? Yes or No? Explain why. -choose a word that you're unsure of its' meaning, write three synonyms and use the word in a sentence.	ACTIVITY 2 Plan to send a letter to a friend. In your letter, explain why you are writing to them, what you like about them and how they make you feel.	ACTIVITY 3 Write about a moment in your life, but include the word ' Olympics '. Your writing should be around 2-3 paragraphs long. REMEMBER: 1 paragraph has 3-5 sentences.
Mathematics	ACTIVITY 1 Medal Count -Research and find the medal tally from the Tokyo Olympics. -Which country has won the most gold so far? -Which country has won the most silver so far? -Which country has won the most bronze so far? -Which country has won the most medals in total? -Where is Australia on the list? -Analyse the medal tally and write down 3 things that you notice about the information.	ACTIVITY 2 What's the definition of capacity? What are its units of measurement? Go into your bathroom, find as many items as you can that have the capacity written on them. -Write down the item and their capacity. -What item in your bathroom has the smallest capacity? -What item in your bathroom has the largest capacity? -Why are some written in grams and others in mL.	ACTIVITY 3 Look at the medal tally. Make a bar graph with the top 5 countries.
Wellbeing / Physical Education	ACTIVITY 1 Walk around your backyard. How many steps did it take to go around 3 times?	ACTIVITY 2 How many laps can you do of your backyard in 15 minutes?	ACTIVITY 3 Find items in your house that start with the letters of the alphabet.
Early Finishers <i>If you finish early, you can complete the following activities on Reading Eggs and Mathletics.</i>	Reading Eggs: Tokyo Techno Mathletics: Multiplication Turnarounds Multiplication Turn-Abouts
