What Greenvale Primary School has to offer:

Out of School Hours Care

Greenvale Primary School has outsourced an external company, TheirCare, for the provision of a before and after school care program, as well as a holiday program.

They can be contacted on 1300 072 410, email: info@theircare.com.au, www.theircare.com.au.

Information Evening

The Foundation Information Evening is held at the beginning of Term 4 with all prospective parents invited and made welcome. This is your opportunity to hear about what our school can offer your child and lots more.

'Flying to Foundation' Transition Program

The program offers a 75 minute session each week over 6 weeks. The aim of the program is to make children confident and familiarise them with the school buildings, grounds, students and staff – thus facilitating a smooth and happy transition. In the last session in December, students are invited to come and meet with their new teacher and class in preparation for the following year.

Your child will be provided with a 'Flying to Foundation' t-shirt to wear to their sessions.

During transition while your child is in the classroom, you will be invited to be part of a '**Parents as Partners**' session which is an opportunity to meet with the Principal and other staff, learn more about the school and meet with other parents. Topics covered at the 'Parents as Partners' sessions:

*General School Administration/Communication
School Involvement
School Readiness*

*Numeracy at Greenvale PS and how to support your child
Literacy at Greenvale PS and how to support your child*
